Description

A very lovely bisque porcelain sculpture after Auguste Moreau (1834-1917) depicting Cupid and Psyche. It is in very good condition with no losses. There is a very small firing crack on the wrist of Psyche which would have happened during the original firing process. It is small, not noticeable and takes nothing away from the beauty of the piece. See last photo. Signed. Circa 1900-1920 We can deliver in UK mainland and can calculate the cost for international delivery. Payment by bank transfer, Paypal or card over the phone. (07850 937057)
