Description

Antique Elgin pocket watch, 1927. The watch has a 17-jewel grade 345 stem-winding movement which is working nicely. The movement is fully signed and it has the serial number 29,102,916 which dates it back to 1927. The watch measures 45mm diameter excluding the winding stem and the loop. The case is gold filled and was made by the Illinois Watch Case Company. It is in nice condition with decorative detailing around the side. The glass lens has a couple of minor marks but you have to look closely to see them. The signed dial is in its original finish with original blued steel hands, a subsidiary seconds dial and outer minute markers. The watch comes in a new presentation box.
