Description

Description An excellent example of a late 18th century glass Stormlamp. A large bulbous bowl with a flared rim above a high conical folded foot. Historical Context Stormlamps, from the 18th and early 19th century, of this form, were used in hallways to hold a single candle which would be protected from drafts. They were also typically used as a decorative home accessory, to hold floral arrangements. Date & Origin England, c1780-190, Period of King George III. Condition Excellent. Wear consistent with age. No chips, cracks, or restoration. Clear and clear internally. Dimensions Height: 26 cm Rim: 12 cm Foot 15.5 cm

Internal Ref: 2026012962
