Description

A fine antique walnut Queen Anne style armchair, dating to circa 1910, showcasing elegant proportions and classic craftsmanship. Constructed in walnut, this chair features beautifully shaped cabriole legs terminating in claw and ball feet, a hallmark of traditional Queen Anne furniture. The shaped arms and carved detailing further enhance its refined silhouette. The back is fitted with decorative hand-woven cane panels, adding both visual lightness and period authenticity, while the generously sized seat provides comfortable use as an occasional chair, desk chair, or accent piece. Ideal for traditional interiors, country homes, or period-inspired spaces, this piece offers both decorative appeal and practical function. The warm tone of the walnut complements a wide range of interiors, making it a versatile addition to any room. A charming example of antique English furniture, perfect for collectors or those seeking a Queen Anne style armchair with timeless character.
