Description

The watch is the top of the range Seamaster automatic day date with calibre 752 movement with 24 jewels, as you can see it is in fabulous like new condition. This was the last of the great in house movements made by Omega. The rare smoked silver dial with day and date is almost perfect and totally original it has never been restored or retouched in any way. It has the Seamaster symbol on the back of the case which is bright and crisp and also the Omega symbol on the crown. The movement has just been serviced and comes with a 1 year warranty. As you would expect the watch is fully marked on the dial, movement and case. The watch case measures 36.5mm wide not including the crown this was the largest size Seamaster of this period. We can fit any colour or style of strap. One of the very best examples you will find, a superb watch to be handed down through the generations.
