Description

A good example of an ornate Victorian belt buckle with three prongs. It is stylish and good quality, weighing approximately 27g. It is clearly hallmarked for Birmingham, 1876 and the makers Minshull & Latimer. It is in good condition for its age and hinges well. There are some faint surface marks here and there but no major damages. It has been gently cleaned and polished and it displays beautifully. Approximate Measurements : Length : 2 1/2" / 6.5cm Width : 2" / 5cm The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
