Description

A good quality sterling silver cruet set with unusual green glass liners. The set consists of a pepper shaker, salt dish and a mustard pot with later spoon. Each piece has their original green glass liner and every individual piece of the main set is fully hallmarked for Chester 1910/1913 and the maker J & R Griffin. The total weight of silver is approximately 73g. Each piece is in very good condition. There are some minor signs of age and use, some faint surface marks and a few small dinks but nothing detrimental. There are a few small chips around the edge of the liners but overall they display well. They have been lightly cleaned and polished and are ready for use.
