Description

A nice example of an ornate pierced bonbon dish of rectangular form. It is stylish and good quality, weighing approximately 70g. It is clearly hallmarked for London, 1896 and the maker William Comyns. It is in good condition for its age. There are some faint surface marks, some light scratches and some small spots of tarnish but nothing detrimental. It has been gently cleaned and polished and displays beautifully. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £7 Rest of the world £25
