Description

A lovely mahogany revolving bookcase dating from the early 20th Century. It has two levels and a nicely shaped top standing on a revolving base with castors. The wood has a nice warm colour and the whole piece is in very good condition with no major damages and revolves freely. There are signs of age and use, some minor knocks and light marks on the top but nothing untoward or detrimental. There are some signs of historic worm in the base which has all been treated as a precaution. It has been cleaned and gently polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
