Description

An elegant oak Longcase clock with wonderful proportions. It dates from the early 18th Cent and is by Edmund Grigsby from Sittingbourn, Kent. It has a very elegant slim case, is a wonderful colour and has retained its original finish. The good quality 8 Day five pillar movement strikes the hours on a bell. It has a smart brass dial with gilt brass spandrels, subsidiary seconds dial and a date window. The case is in good condition overall but does have some age marks to the base. The movement is in good working order and keeping good time. Free local delivery and setup (60mils), national and international delivery arranged at cost.
