Description

This dresser base is in good condition. It has been restored to a high standard in Hungary and waxed in a lovely antique brown bri wax. This dresser base would look well in a property in any room amongst similar antique pine furniture. It would look great in an unfitted kitchen or a hallway. This dresser base stands on square back legs and round turned front bun feet supporting the main section. There are two large doors. The doors have a lovely floral carving on them. There are turned columns to the sides. There is a key that locks the door. Behind the door there is a shelf. Above the doors is one drawer. It has lovely ceramic handles and carving. The drawer has dovetail joints and is pine lined. The top is in good condition. The height is 92cm, the width is 118cm and the depth is 48cm.
