Item Reference: SA1204724

Date of manufacture: 19th Century

Dimensions

Height = 78 cm (30.7")

Width = 54 cm (21.3")

Depth = 54 cm (21.3")

Description

A 19th century neoclassical table with a painted carved base and rouge griotte marble top. Raised on three female figures, back to back, carrying the top. Completely 360, the figures are carved both front and back. Contrastingly soft paint with deep rich marble, just the sort of juxtaposition that we love. Hobo loves because: it's basically a sculpture that happens to be a table.
