Description

A rare good sized Norwegian solid silver Viking ship. It is hallmarked with the 830 standard mark along with the makers mark being that of Brodrene Lohne. I would date it to c1940. It has been beautifully made being in the form of a Viking ship complete with sails. It is in superb condition being free from dings splits and repairs. It measures approx. 4.5 inches (11.4cm) long by 2.75 inches (7cm) wide by 5.5 inches (14cm) tall and weighs 56 grams. A beautifully made rare example.
