Description

This cupboard is in good condition. We have professionally restored it and then painted it in a lovely light / mid grey paint. We then rubbed over the edges and waxed it giving it a stunning appearance. The cupboard would look well in an old or modern property in a large unfitted kitchen for storage of kitchen items. It would look great on a landing for storage of linen etc if you have a large staircase. Please be aware this is in one piece and I will require a hand off the van with it into your hallway. If it is to go up stairs your staircase needs to be straight with no turns. The cupboard stands on square back legs and round turned front bun feet supporting the main section. There are two doors and each door has three panels and a key that locks the doors. To the sides there are fluted columns as well as the middle. There are carved corbels to the top and bottom. The sides are panelled which is a sign of quality. Behind the doors there are shelves for storage. The shelves are not fixed so more shelves could be placed in if required. The top has a standard graduated cornice with lovely circular motifs beneath. This is a stunning item of furniture please buy with confi...
