Description

This cupboard is in good condition. It is a totally original hungarian cupboard. The cupboard would look well in an old or modern property in a large unfitted kitchen for storage of kitchen items. The cupboard stands on square back legs and splayed georgian front feet supporting the main section. There are three large drawers to the left side with their original round turned wooden knobs. To the right side is one door standing on original georgian pin hinges and has a really pretty panel. There is a key to lock the door. Behind the door is a shelf for storage. We have stripped the top and waxed it so it contrasts beautifully with the paintwork. The height is 109cm, the width is 101cm and the depth is 46cm.
