Description

A Lovely American Sterling Silver Pierced Butter Dish with a removable opaque glass liner. The silver frame is circular with a pierced lattice gallery in a repeating diamond pattern. A smooth rolled rim finishes the top edge and gives a clean outline to the design. The piece stands on four small ball feet, lifting it slightly for a more formal table presentation. Marked 'Sterling' – circa 1920. * The removable glass liner keeps it practical for daily use while retaining a proper silver look. Measurements: Height: 1 1/4" (approx. 3cm) Diameter: 4 1/2" (approx. 11.5cm) Silver weight: 36g Total weight: 203g In good condition – The sterling mount presents well with light surface wear consistent with age and normal handling. There are no chips or cracks to the glass liner.
