Description

A beautiful and very well made Art Deco figured walnut tallboy chest of drawers / cabinet. This was made in England, it dates from the 1930's. The quality is outstanding, this a great size and has a very useful design. There is lots of storage space, this is generous yet not too imposing. The walnut grain patterns are incredibly striking, and this has a beautiful colour tone. We have had this stripped and re-polished to a very high standard, the condition is excellent for its age.
