Description

A stunning Art Deco walnut occasional side table, made in England and dating from the 1930's. It is of superb quality with a stylish and useful design. The circular top is segmented into four figured walnut quarters, it has a thick edge and has four shelves that slide out from underneath. It stands on a thick column base that stands on a circular pedestal base and platform feet. We have had this stripped and re-polished to a very high standard, the condition is superb throughout. The walnut grain patterns and colour tones are gorgeous. Width – 61 cm , 24 inches Depth – 61 cm , 24 inches Height – 63 cm , 25 inches
