## Description

A Victorian silhouette of a family with their dog. The lady sits on a chair with the child behind her, she holds a flower in her left hand. The gentleman stands to the right holding a child's toy. The background is quite dark but this does not distract from the silhouette. There is some age-related wear but it is in its original frame and is from a collection. It measures 27cm x 32.5cm. Please excuse some light reflection in the glass.
