Description

This bedside cabinet is in good condition. It has been restored and painted in a lovely light grey paint. We then rubbed over the edges and waxed it giving it a stunning appearance. The cabinet would look well in any bedroom or as a hall cabinet etc. The cabinet stands on a scrolled plinth supporting the main section. There is one small door to the bottom. The door has its original ceramic handle, a stepped panel and a carving upon the panel. Behind the door there is plenty of storage space. There is a large open space with columns to the sides leading to a drawer. The drawer has a similar ceramic handle and little carvings to the sides. The drawer has dovetail joints and is pine lined. The top is in good condition and waxed with a bull nosed edge. There is an upstand to the back with similar columns and a panel. The height is 123cm, the width is 79cm and the depth is 39cm.
