Width = 100 cm (39.4")

Depth = 44 cm (17.3")

Description

This exquisite William & Mary style oyster walnut escritoire is a remarkable example of late 17th century design, celebrated for its distinctive and highly decorative veneer work. The fall-front is adorned with a striking oyster walnut pattern, arranged in a concentric design that beautifully showcases the natural figuring of the wood. Opening to reveal a fitted interior fitted with secret drawers, a cupboard, and multiple drawers. The escritoire provides practical storage for documents and writing implements, combining elegance with functionality. Below, a single drawer offers additional storage, while the piece is supported on a finely crafted stand with characteristic barley twist legs and stretchers, typical of the William & Mary period. The rich walnut tones, complemented by delicate crossbanding and brass escutcheons, create a sophisticated and timeless aesthetic. Perfect as a statement piece in a study, living room, or hallway, this escritoire embodies both historic charm and refined craftsmanship.
