Date of manufacture: Victorian

Dimensions

Height = 83 cm (32.7")

Width = 74 cm (29.1")

Depth = 27 cm (10.6")

Description

A charming and practical Victorian pine hanging cupboard. Its configuration suggests it was designed for a high-traffic area of a household, such as a kitchen or scullery. It features five drawers to one side along with a discrete, hidden drawer that runs along the bottom. The cupboard has two shelves inside. The piece has been painted in its lifetime. Now stripped and sensitively restored, it still retains some remains of original paint which add to its character.

Internal Ref: CR004
