Description

This bedside cabinet is in good condition. It has been restored and painted in a lovely black paint. We then rubbed over the edges and waxed it giving it a stunning appearance. The top is marble. The cabinet would look well in any bedroom or as a hall cabinet etc. The cabinet stands on square back legs and round turned front bun feet supporting the main section. There is one large door with one panel and a carving to the middle. The door has a metal handle. To the sides there are turned columns. Behind the door there is a shelf for storage. There is one drawer with a metal drop handle and diamond type motifs to the sides. The drawer has dovetail joints and is oak lined. The marble top is in good condition with a bull nosed edge. The height is 78cm, the width is 57cm and the depth is 42cm.
