Description

1930's Lister Teak Garden Dining Set A wonderful English thirties round garden dining table and four matching dining chairs, all made in solid teak by Lister. The circular garden table top is slatted, has a hole to take a sun umbrella if needed. The four dining chairs each have slatted seats and fit neatly under the table when not in use. In excellent condition, all the pieces are very strong and intact. Complete with the Lister makers label. They will silver down to a lovely colour quite quickly if kept outside. A little more unusual it being a round garden dining table, rather than square. Perfect for smaller gardens, balconies, courtyards and patios. Dimensions Height: 71cm (28.17") Width: 110cm (43.65") Depth: 110cm (43.65")
