Price

**Sold****Item Reference: SA1205632****Date of manufacture: Victorian**

## Description

English Antique 'Bamfords' Copper & Brass Coal Bucket Stamped 'BAMFORD' made in England c1890, John Cyril Bamford (JCB) now famously known for family business manufacturing diggers and construction vehicles & equipment. Lightly polished whilst retaining plenty of patina and wear comensurate with age, a good functional item, please see pictures. Would look fabulous containing coal or kindling etc around the fireplace. Depth: 290mm Height (excluding handle): 235mm SHIPPING & DELIVERY INFORMATION Free UK Shipping International Shipping: £45 For other destinations please contact us.
