Width = 3.5 cm (1.4")

Description

A very attractive example of the Omega Constellation reference 168.004, featuring the highly uncommon silver dial with applied Arabic numeral hour markers — a configuration rarely seen on Constellations of this era. Powered by the revered Chronometer-rated Calibre 561 and housed in a gold-plated 35mm case with a steel Seamaster case back, this is a desirable and characterful vintage Omega. Key Details • Model: Omega Constellation • Reference: 168.004 • Case Size: 35mm • Case Material: Gold-plated with steel Seamaster case back • Dial: Rare silver dial with applied numeral hour markers • Hands: Gold tone • Crystal: Acrylic • Movement: Automatic Calibre 561 (Chronometer grade) • Strap: New black leather strap fitted • Water Resistance: Not waterproof due to age • Guarantee: 12-month mechanical guarantee Condition Report Case: Unpolished and left original; light wear present but nothing significant. Polishing available upon request. Dial: Beautiful rare dial variant with applied numbers; clean and well-preserved. Crystal: Clear with light expected signs of age. Strap: Brand-new black leather strap, unworn. Overall: A highly attractive, honest vintage Constellation with a r...
