Description

An antique oak chest of drawers of classic form. The rectangular top sits above an arrangement of two short over three long graduating drawers, fitted with brass swan neck drop handles and escutcheons. Raised on shaped bracket feet with a shaped apron. A useful and well-proportioned example with good colour and patina. Item Reference: M-6727 . Dimensions: Height - 102cm / Width - 101cm / Depth - 52cm . CONDITION REPORT: In antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and areas of loss to the cock beading. There are various historic patch repairs including a repair to the back right corner (pictured). There is evidence of historic woodworm to the sides, however this is long inactive. One handle (top right) is a replacement but is in keeping with the overall style. The lock and key are present and working, although the top right drawer is slightly stiff in operation. The chest remains structurally solid and sound overall. A good honest example with wear consistent with age and use. Our experienced carpenter thoroughly inspects, repairs, and restores each item in our collection to ensure it is f...
