Description

A charming antique mahogany chest of drawers of neat proportions. The rectangular top sits above an arrangement of two short over three long graduating drawers, all fitted with turned wooden knobs and brass escutcheons. The chest benefits from boxwood stringing to the top edge and base, and stands on elegant splayed feet with a shaped apron. A well-proportioned and practical piece with good colour and pleasing patina. Item Reference: M-6762 . Dimensions: Height – 107cm / Width – 106.5cm / Depth – 52cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and staining. There is some damage to the shaped apron and losses to the beading on the top edge. There is also some damage to the back edge (pictured). The drawers run well and the chest remains structurally solid and sound. Overall, a good honest example with wear consistent with age and use. Our experienced carpenter thoroughly inspects, repairs, and restores each item in our collection to ensure it is fully prepared for use in your home.
