Description

A striking hand-woven woollen Persian rug in excellent antique condition. This finely woven rug has a warm terracotta centre with burgundy borders and hand-knotted fringe all add to an inviting sense of warmth and vibrancy to any interior. A small white inscription, likely the weaver's signature, adds a charming personal touch. Though it carries a few minor imperfections, it remains free from holes and retains full structural integrity. Rich in texture and character, it makes a compelling statement across both traditional and contemporary spaces.
