Description

Antique 20th century oak leather-topped pedestal desk, well made and of good quality. The desk features a beautiful green leather top, adding both elegance and practicality. It is fitted with nine drawers to the front, arranged as four on either side with one larger central drawer, all retaining their original decorative brass handles, enhancing its character and authenticity. The desk stands on two pedestals with casters and comes apart into three sections for ease of transport and positioning. The oak has a gorgeous grain and warm colour throughout, making this a very desirable and attractive example. Solid, sturdy, and practical, this desk is ideal for both home and office use.
