Description

DESCRIPTION A stunning pair of diamond solitaire earrings set in **PLATINUM** . Just sublime. These are beautiful original old cut diamonds that have been reset into secure modern platinum 4 prong settings **HALLMARKS** Hallmarked 950 to the butterfly backs **MEASUREMENTS** Each 4 prong set natural diamond measures 0.60ct. These diamond are extremely good quality with a colour estimated in situ at I-J. The diamonds are absolutely flawless to the naked eye. Each diamond has a tiny colourless feather visible with a 20x loupe only in one and a tiny carbon fleck visible under a loupe only in the other. The colourless inclusion is at the surface of one stone, however as mentioned, neither are visible to the naked eye. The diamonds are particularly sparkly/firey due to the huge number of facets to the table top Total carat weight is 1.20ct The diamonds are held securely within 4 prongs which so not need re-tipping For pierced ears only with butterfly backs **CONDITION** Good condition. Minimal signs of wear commensurate of age Priced extremely competitively for a quick sale
