## Description

An exceptional large antique French oak buffet cabinet with carved chiffonier top, dating to the 19th century and showcasing outstanding hand-carved craftsmanship throughout. This impressive antique French sideboard features richly detailed carvings across every panel, including scrollwork, floral motifs, and striking mythical creature decoration to the upper section. The upper chiffonier provides additional display and storage space, supported by turned columns and finely carved architectural elements, making this a true statement piece of antique French furniture. The base offers practical storage with cupboards and drawers, ideal for use as a dining room sideboard, hallway cabinet, or feature buffet. Crafted from solid oak with a warm, natural patina, this 19th century French buffet cabinet combines decorative impact with functionality. Its scale and presence make it particularly suited to larger interiors or period-style homes. A rare and highly decorative antique carved oak sideboard, perfect for collectors and interior designers seeking authentic French furniture. Height: 249cm | Width: 153cm | Depth: 55cm
