Description

Antique 19th century oak chest of drawers by Heals of London, a very well-made piece of the finest quality, showcasing exceptional craftsmanship and attention to detail. The chest features three front drawers, each fitted with decorative brass handles, providing practical and elegant storage solutions. It displays a gorgeous natural grain with rich colour throughout, highlighting the beauty of the oak and the quality of its construction. This is a highly desirable and sought-after example, prized by collectors and enthusiasts for its timeless design and solid build. Its proportions make it versatile for use in a variety of settings, from bedrooms to living areas, while retaining its distinctive character. Presented in good condition and ready for immediate use, this piece combines both functionality and classic style. Perfect addition to any home, offering enduring appeal and a statement of fine Victorian craftsmanship.
