Description

Mid Victorian Triple Wardrobe – Burr Walnut – Breaks Down – Newly Lined A superb mid Victorian triple wardrobe in beautifully figured burr walnut, offering both elegant period style and highly practical storage. This impressive wardrobe features a shaped cornice with central arched pediment and decorative carved detail, above three doors. The central door has a full-length mirror, flanked by two finely panelled doors with attractive matched walnut veneers. Inside, the wardrobe is thoughtfully arranged:

- Left section fitted with removable shelving to create extra hanging space if required above a bank of drawers
- Right section with a full-length hanging space
- Recently re-lined interior, giving it a clean and fresh feel while retaining its antique character

?? Practical Design A key advantage is that the wardrobe breaks down into 5 sections, making it far easier to transport and install than many antique pieces of this size. ?? Condition

- Good antique condition overall
