Description

This is a very impressive Early 20th century solid oak dining table. The quality of the table is very high with a four planked 2 inch thick top. The whole piece breaks down for ease of movement but the top is extremely heavy. The condition is very good with plenty of character to the table. There is a slight warp to one corner but doesn't effect the usability of the table. The colour is rich and the wood has attractive knots and burr. This will easily sit 12+ people Height 73cm Length 300cm Depth 87cm Price includes UK mainland delivery
