Description

A beautiful impressive Norwegian solid silver spoon. It is hallmarked with the Norwegian 830S standard mark along with a makers mark. I would date it to c1920-1940. It has been beautifully designed having what looks to be a Viking terminal. It is in superb condition being free from dings splits and repairs. It measures 6.25 inches (15.8cm) long by 1.75 inches wide and weighs 41 grams. A very beautiful piece.
