## Description

A super quality unusual novelty sterling silver caddy spoon. It is hallmarked STERLING TIFFANY & Co. I would date it to the mid 20th century. It has been superbly made being in the form of a baseball or jockey cap. 1970's. It is in super condition being free from dings splits distortions and repairs . It measures over 2.5 inches (6.6cm) long by 1.75 inches (4cm) wide and weighs 19 grams. A very nice example.

Internal Ref: 37969
