## Description

Charming Little French Boudoir Reading Lamp. This is a delightful little piece, finished with its original silk gold brocade shade, an unusual note to this piece, it is a floor standing reading lamp and the shade has a roof to deflect the light downwards, this can be removed allowing the light a wider area like a typical floor lamp. So very attractive all working with a little wear to the fabric of the shade roof. The lamp is 60" tall and 14" in diameter. TDW90
