Description

This bench is in good condition. It has been professionally restored to a fantastic standard in Hungary. It has then been painted in a blue paint and then rubbed over the edges and waxed it giving it a stunning appearance. This bench would look well in an old or modern property in any room for seating purposes. It would look great in a hallway etc or to the one side of a large table. It could comfortably seat 3 to 4 people. The bench stands on square legs supporting the main section with beautifully shaped arms to the top that are quite exaggerated. There are simple slatted sections to the ends aswell and the back rest has panels with a diamond shape to the top. There is a lift up lid with plenty of storage space beneath and seperate compartments. You could have a cushion pad made in an upholstery of your choice. The height is 97cm, the seat height is 49cm, the width is 201cm and the depth is 49cm.
