## Description

A lovely pair of antique silver pepper pots in their original fitted case. They are stylish and good quality with urn shaped bodies, square feet and pierced tops. They weigh approximately 77g. Each pot is hallmarked for Birmingham, 1891 and the maker George Unite. The marks are slightly rubbed but still readable. They are in good condition. There are some minor signs of age and use, some small dinks and surface marks but nothing detrimental. They have been lightly cleaned and polished and are ready for use. The box is good quality with a silk lining and fitted velvet base. There are some minor marks and some small scuffs around the outside but nothing major and it displays well. Approximate Measurements : Height : 3" / 8cm Width : 1 1/4" / 3cm Box : 4 1/4" / 11cm square The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
