Description

A matching pair of small oak stools dating from the early 20th Century. They have four turned legs joined by crossed stretchers below a thick dished seat. They have a lovely patina and are solid and sturdy. They are in good condition for their age. There are a couple of small knocks and marks but no major damages and they display well. Approximate Measurements : Height : 9 1/2" / 24cm Top Diameter : 8" / 20cm The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
