Description

Fine Spode bone china porcelain coffee can with a rich burnt orange border pattern of roses, printed with a method known as "pluck & dust". Edged in thick gilding, with gilded handle, band above the foot, and rim. Unmarked but known pattern 984, c.1806. It measures 6.5cm (2 1/2") high, 8.5cm (3 3/8") rim to handle and 6.5cm (2 1/2") rim to rim. Condition is excellent with no damage or repair. Minor handling wear, the gilding on the rim has been lightly re-touched and displays really well. There is a tiny firing line at the rim.
