Description

Pair of Victorian Green Leather Deep Buttoned Tub Chairs with Horseshoe Backs • A superb pair of Victorian green leather tub chairs, beautifully crafted and generously proportioned, offering both comfort and timeless antique appeal. These elegant chairs feature classic horseshoe-shaped backs, enveloping the sitter and creating a highly comfortable and supportive seating experience. • The deep buttoned leather upholstery is finished in a rich green tone, enhanced by a patina developed over time. Each chair is adorned with hundreds of individually hand-tapped brass studs, securing the leather with precision. This is a highly skilled and time-intensive process, requiring great care and craftsmanship, and it adds both durability and decorative refinement to the design. • The seats are notably generous in size—larger than typically found—making them particularly desirable as comfortable easy chairs or statement seating in a library, study, or living space. The chairs are raised on elegant segmented turned front legs, complemented by rear legs fitted with castors for ease of movement. • Combining traditional Victorian design with exceptional comfort, this pair would work beauti...
