Description

This is a beautiful pair of oil on board paintings by Pieter Cornelis Dommersen. (Dutch, 1833-1918), signed and dated 1904 and 1910. The paintings are titled "Fishermen and their families taking dinner on the beach" and "Mending the nets". And they both feature sailboats against a beautiful seascape background. Pieter Cornelis Dommersen came from a famous family of Dutch artists who moved to England in the 1860's and changed the family name from Dommershuizen. He was the son of Peter Cornelis Dommersen and travelled around Europe and England, painting marine and town scenes. His works are still very popular and many have been reproduced in print, his originals, not surprisingly, are very much sought after. Several examples of his work have sold at top auction houses, see Christies, Sotheby's and Bonhams. Condition: In really excellent condition, please see photos for confirmation.
