Description

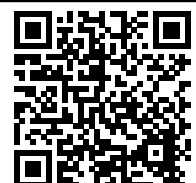

Georgian Revival Mahogany Partners Desk A fine Georgian Revival partners desk, crafted in rich mahogany and raised on a substantial plinth base. The desk features an arrangement of seven mahogany-lined drawers to the front, including a double-depth filing drawer to the lower right-hand side, offering practical storage. Each drawer is fitted with traditional brass swan-neck handles. The reverse is fully finished and equally functional, with two cupboard doors opening to reveal interior shelving—ideal for use as a freestanding centrepiece. The sides are elegantly detailed with astragal mouldings, adding architectural interest and depth. The rectangular top is inset with a green leather writing surface, decorated with hand-applied gilt and blind tooling, providing both durability and a refined aesthetic. For ease of transport and installation, the desk is constructed in three sections. Presented in good condition. Size: Height 30" (76cm) Width 59 1/2" (151cm) Depth 36" (92cm) Kneehole 25" (63.5cm)
