Depth = 45.5 cm (17.9")

Description

An Edwardian solid oak tambour front file cabinet with fitted interior c.1910. Solid oak top with moulded edge, which is sat over panelled sides and matching panelled back. Brass lock escutcheon to the top rail with key release for the falling tambour front. The tambour front opens to reveal an original fitted interior with ten file trays each with moulded solid oak front forming a handle with brass label holders to the front of the trays. Each drawer takes an A4 file or paper. The cabinet has a working lock and key and is presented in superb condition with a rich colour and deep polish. A short video of this cabinet is available to view via our YouTube channel - <https://www.youtube.com/@sturmansantiques1428/shorts>. Measures 19.25" wide x 18" deep x 45" high. Trays measure 12" deep x 15" wide x 2" high internally. Please contact us with your postcode to obtain a quote for delivery of this item.
