Description

Antique 19th century ebonised Victorian pier cabinet, a finely crafted piece of good quality, showcasing the elegance and attention to detail typical of the period. The cabinet is beautifully decorated with intricate satinwood inlay and elegant brass mouldings, creating a highly decorative and sophisticated appearance that makes it a true statement piece. The glazed front opens to reveal two internal shelves, perfect for displaying prized items, the piece comes complete with its original key, maintaining its authenticity. Standing as a compact and versatile piece, it is presented in good condition and retains all its original features. Its small size makes it ideal for a variety of spaces, yet it is highly noticeable and impactful due to its exquisite detailing. A very desirable and rare example, this Victorian pier cabinet combines practicality with refined design, making it a perfect addition to any home for those seeking both beauty and function.
