Description

A Really Fabulous Minton Blue and White China Tray in the Delft pattern. The shape is an elongated octagon with squared handle-like terminals, giving it a smart, architectural profile. The decoration is transfer-printed in cobalt blue, with scrolling florals arranged around the well. The gilded edging provides a restrained contrast against the white ground and emphasises the faceted outline. Marked 'Minton' for the renowned maker – circa 1880. * This is the sort of piece that layers beautifully with other blue and white ceramics for a collected look. Measurements: Length: 21" (approx. 53cm) Width: 11 1/2" (approx. 29cm) Total weight: 1520g In good condition – The transfer-printed decoration presents well overall, with no obvious losses visible in the images. There are no chips or cracks to the china.
