Description

Antique 1920s Nirvana International pocket watch. The watch has a Swiss 15-jewel stem-winding movement which is working nicely. The movement is signed Nirvana International, a name registered by C. Robert & Cie of La Chaux-de-Fonds, Switzerland. The movement is protected by an inner hinged cover which has some surface marking. The watch measures 50mm diameter excluding the winding stem and the loop. The case is gold plated and was made by the Illinois Watch Case Company. The case is in good condition, just light surface marking and a gentle indentation to the back. The acrylic lens is in good condition. The dial is in lovely condition too, with original blued steel hands, a subsidiary seconds dial and outer minute markers. The watch comes in a vintage presentation box from a Birmingham jeweller. It is a bit tatty on the outside but still good to have.
