Description

A very decorative embossed silver photograph frame of large proportions, measuring 27cm high x 22cm wide and the width of the actual silver is 3cm. It is decorated with birds, flowers and scrolls with a central cartouche for initials. It has the hallmark for Birmingham, 1906 with the maker's initials RHT for RH Thornton. There is some minor wear to the bottom left corner and top right corner (see images) but overall it is in good condition. The wooden easel back is original. A lovely frame for a special picture.

Internal Ref: KAX
